Dear Sir:

On March 30, 2005, Applicants submitted a paper copy of the Sequence Listing and a computer readable form (CRF) of the Sequence Listing in the above-identified application and stated that the Sequence Listing information recorded on the computer readable form (diskette) was identical to the content of the paper copy of the Sequence Listing.

Pursuant to 37 CFR § 1.821, the undersigned hereby states that content of the paper copy of the Sequence Listing submitted in the instant application on March 30, 2005 is identical to the content of the Sequence Listing recorded in the computer readable form (CRF) of the Sequence Listing, which was also submitted in the instant application on March 30, 2005, and that neither

said paper copy of the Sequence Listing nor said computer readable form of the Sequence Listing includes any new matter that goes beyond the content of the application as filed.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Margaret A. Powers", written in a cursive style.
